susi HERZBERGER

PROFILE

I have been a self-employed moderator, journalist, director, voice-over and coach for film, television and radio since 2007.

My eloquent appearance, mixed with an equally refreshing performance, consistently fills my audiences with enthusiasm.

My job is to present condensed content, using the appropriate media format, factually and to the point.

I provide your product or event with a face and voice, with you knowing that I always perform with heart and passion.
